

YOUSICIAN FOR TEACHERS

List of Equipment Prices and Links

The following is the list of items that you will need to run group music lessons with Yousician in your classroom. The cost for all materials is approximately €700 or US\$850. Shared are some easy to purchase recommendations. They serve as a guide for you to know the items and the approximate cost.

We recommend that you have a full set of instruments (guitars/ukuleles) for your classroom so that each student can participate and benefit from learning music with Yousician.

If you have any questions, you can contact us at teachers@yousician.com
